- Physiotherapist

Dunedin

Fixed term, 20 hours per week

We have a fixed term opportunity for a confident, self-motivated and autonomous Occupational Therapist or Physiotherapist for 20 hours per week for up to one year.

You will predominately provide hand therapy, while your remaining case load (approximately $\frac{1}{4}$) will be treating burns and rheumatology patients.

You will need to bring to this role either a post graduate qualification in Hand Therapy; or clinical experience in upper limb rehabilitation and a commitment to specialise in Hand Therapy while undertaking training towards Hand Therapy registration.

You will need to have excellent communication skills to enable you to liaise with hospital specialists, patients and build strong links with Hand Therapists and the wider Allied Health team.

You will hold a current registration with your respective New Zealand Professional body (Physiotherapy or Occupational Therapy) and current APC.

Please request the relevant job description to your profession by contacting Codie Hartstonge on the following address indicating which job description you require: codie.hartstonge@southernhdhb.govt.nz

Closing Date: 30th January 2012
